WHO WE ARE

About Vanara Spices

Vanara Spices is a spice manufacturing and food processing business based in Amaravati, Andhra Pradesh. We work on a direct-from-farmer sourcing model, cleaning, grinding, and packing whole spices, ground spice powders, and traditional masala blends for both everyday retail buyers and wholesale / B2B partners.

HOW WE WORK

Direct-from-Farmer

Spices are sourced directly from growing regions, shortening the supply chain between farm and finished pack.

Retail & B2B

The same quality line supplies small retail packs alongside bulk wholesale orders for institutional and business buyers.

Export Ready

Registered for international trade and packed for export in bulk formats to overseas markets.
